

# Michael Rehnvall / French Connection - Gensynet

Gallery Nørballe, Augustenborg - Denmark

31 May – 28 August 2016

Welcome to the opening at Gallery Nørballe, Sunday 29 May 2016 at 2:00 p.m

This new summer-exhibition offers an exceptional encounter between the Parisian painter Michael Rehnvall (b. 1961) and the Danish photographer Finn Christoffersen (b. 1940).

A bright panorama of color, strength and emotion that displays the immeasurable expressions of the city par excellence - Paris!

Through their innovative and liberating vision – a tribute to life – the two artists invite us to be a part of a genuine dialogue - an exchange - all presented at Gallery Nørballe / Augustiana - Art Center and Sculpture Park, located on the estate of Augustenborg Castle, on the shores of Lillehav Fjord in Denmark.
